## Memorandum of Understanding Use of Temporary Tents During Presidential Visits Mar-a-Lago

When the U.S. Secret Service chooses to do so, it may have temporary tents installed at Mar-a-Lago, 1100 South Ocean Boulevard in Palm Beach, without necessity to obtain or pay for a local building permit(s), subject to the following conditions:

1. Tents must not be installed more than 24 hours in advance of the President's arrival in Palm Beach, and must be removed no more than 24 hours following the President's departure.
2. The exemption from obtaining and paying for tent permit(s) applies only when the President is present in Palm Beach at Mar-a-Lago and only for those tents used by governmental agencies in the scope of their duties to protect the President. It does not apply to other family members or governmental dignitaries if the President is not present in Palm Beach.
3. No electrical hazards shall be allowed to exist. The Town retains sole authority to determine what conditions constitute an electrical hazard without enumerating all such possibilities herein. If and when a Town designee identifies an electrical hazard, it shall be rectified to the satisfaction of the Town immediately.
4. Any and all tents must be installed on private property. If it is intended to utilize the adjacent Palm Beach Bath & Tennis Club property for tent installation, an authorizing signature from said owner must be affixed to this Memorandum of Understanding.
5. Tents shall be installed in accordance with all Town Code requirements, including all terms of this Memorandum of Understanding. The Town reserves the right to inspect said tents at any time of its choosing.
6. This Memorandum of Understanding remains valid only for so long as Donald Trump holds Presidential office; it automatically becomes null and void following his term(s) in office.

7. The Town of Palm Beach reserves the sole right to alter the terms of this Memorandum of Understanding, including its revocation, upon written notice to the signatories herein if it so determines that unintended, negative consequences have emerged.
8. The Town of Palm Beach is held harmless from any and all liability that may result from this Memorandum of Understanding.

All signatories must print their name, sign their name, provide date signed, and provide an address and telephone number where they may be contacted.
